**CHRISTOPHER LUKASIEWIC & DAD**  
SMITHTOWN, NEW YORK

Hi:

My name is Christopher and I am 6 years old. **POWERPUFF GIRLS** is my favorite show, and **Mojo Jojo** is my favorite villain. I started to collect Powerpuff Girls cards, and now one of my favorite things to collect is the comic books. I can't wait 'til next month's comic book comes out. I hope the Gangreen Gang will be in it. I am sending you a picture I drew of the Powerpuff Girls flying near a bridge just after they beat up a monster. Buttercup is my favorite Powerpuff Girl.

Art by Christopher Lukasiewicz.

If you like the Gangreen Gang, be sure to check out issues #13 and #16 of the **POWERPUFF GIRLS**.

Dear **POWERPUFF GIRLS**:

My daddy was just reading the story about the mean photo guy (Shutter Thug). It was my first comic book. I'm 5 years old. I was 4 and a half before 5 years old. I'm sorry you didn't come to my Powerpuff Girl birthday, but Klinko the Clown came. I hope you guys come to my Scooby-Doo Birthday. I always watch you guys on Cartoon Network. I have a white house and I want you guys to come down here 'cause I have to tell you something.

Buttercup, you better stop being mean to your sisters, or else I'll punch your bootie! I'm a Powerpuff Girl, too! Tell the Professor I wrote this note. Love you girls.

We love birthday parties, but we're not too crazy about clowns. Klinko sounds like a scary name for a clown. Buttercup's not mean; she's just hard to love. You know the old saying, "Love hurts." Well, it **really** hurts to love her.

Dear DC Comics:

I love DC Comics. They are great. I have a big collection of your comics.

DC comics:

Hi! I'm 10 years old, and I'm the girls' biggest fan!

I really liked **POWERPUFF GIRLS** #14, "Goo versus Good!" It was hilarious! I especially liked the part when the Amoeba Boys tried to move Townsville Hall. They thought they were actually doing good for the city! Just as Blossom said, "Leave it to you Amoeba Boys to set out to become heroes—only to finally become the **WORST VILLAINS** to ever hit Townsville!"

My friends always laugh at me because they think it's a girl show. It's not at all! Maybe some of the merchandising is aimed toward girls, but the show is awesome! If you print my letter (which I **REALLY** hope you do!) in the next issue, prove my friends wrong! Tell Buttercup I said hi! Phil Moy rocks at drawing!

The **POWERPUFF GIRLS** are just for girls?! That's nonsense. That's like saying that dresses are just for girls. Uh... wait a second, bad example.

**RICKI REDMAN**  
BUFFALO, KY

Dear DC Comics:

Hi. I love the **POWERPUFF GIRLS**!

My favorite **POWERPUFF GIRLS** comic is "Snow Days." I never miss a snow day. Me and my best friend, Kylie, play the Powerpuff Girls every Saturday. We even have dress-up clothes.

I hope to see my letter in your comic.

Art by Ricki Redman, 6 years old.

It's also a lot of fun to dress up as the Mayor and Ms. Bellum, too. If you don't believe us, check out the Powerpuff Girls playing dress-up in the episode "Best Rainy Day Adventure Ever."

## Other DC Kids' Titles:

**Looney Tunes** #81: Bugs Bunny trespasses on Yosemite "Strongman" Sam's turf in the wild and woolly "Hare Strike"; Porky Pig gets big trouble instead of his mail in "Postage Stumped," and Daffy Duck "fowls" up Elmer's TV show in "Bye-Bye Birdhouse!"

**Dexter's Laboratory** #23: Special 25th issue: "Stubble Trouble"! Dexter lives every kid's dream when he gets to team up with his favorite action hero of all time — Action Hank! When an international spy renders Hank helpless by shaving off his famous beard, it's up to the boy genius to help out — and join Hank for an all-out action battle! Featuring art and story by **DEXTER'S LABORATORY** creator Genndy Tartakovsky!

**Scooby-Doo** #31: An ancient Chinese god of revenge is haunting a troubled family business — but that's not the only mystery in this tale! Plus, Mystery Inc. comes to the aid of a pop star who's about to become a fashion victim — literally!

Who else but Phil Moy and Dave Tanguay could give you a cover like this?

## next issue:

Sugar, spice...and a little *kung fu*! Mojo Jojo uses some Eastern wisdom to pound the Girls silly; plus, Buttercup learns a bit about Zen in order to...calm down??

Written by Sean Carolan & Jennifer Moore, Ian Boothby & Roger Fredericks; art by Stephanie Gladden, Bill Alger and Mike DeCarlo; cover by Phil Moy.
